

Case Study - Financial Institutions

EMPLOYEE RECOGNITION

Be Recognized is everything you need to effectively recognize and reward your staff, in one easy-to-manage platform.

Engaged

Be recognized, be well, and be connected wherever you work.

Rewarded

Be rewarded with merchandise, experiences, and custom awards.

Succeed

Be successful through metrics and analytics that track real impact.

Retain Talent

Organizations with strategic recognition programs have 23.4% lower turnover than those without.

Increase Business Performance

Recognition is the #1 driver of engagement, and organizations with high employee engagement also have 44% higher profits and 50% higher customer satisfaction

Improve Engagement

Financial Institutions using Be Recognized have an average of 77% engagement with the program. Participants engage with recognition an average of 20.8 times in 6 months.

Reinforce your core values

With Be Recognized, every recognition moment is connected to your organization's mission, vision and values. Contact us for a demo today.
